**Please consider participating in as many of these activities as possible to answer Our Lady's pleas to help her blind Satan and win back our culture for Christ!** In the Diary on January 1, 1981, Jesus exhort us to **"reach beyond our limits"** and refers to the **"superhuman sacrifice made by the three Wise Men"**. On November 20, 1981, Jesus and Mary tell us:

**"Our petition is urgent. There is no time for delays. Let the faithful, together with the priests satisfy our petition in a great spiritual oneness. The effusion of graces will also reach the souls of the non-baptized with its effect of grace...do not fear, we are beside you, beside all of you."**

**And finally, the Blessed Virgin's last words to us in the Diary on December 12, 1981,**

**"My Beloved children, be ON ALERT. Satan wants to remove the ground of hope beneath your feet...Oh, my children, pray constantly for each other. Allow the outpouring of my graces to take effect in your souls."**

**May this month of the Immaculate Conception and Our Lord's Nativity, stir into Flame a DIVINE FIRE of LOVE in the entire nation!**

United with you in her Sacred Flame,
